

## FOR IMMEDIATE RELEASE

### Virtually There Media Announces Aggressive Online Real Estate Marketing Service

Los Angeles, CA, United States 3/24/08 - Virtually There Media (VTM), a Certified Real Tour Vision™ (RTV) virtual tour provider and real estate marketing company, today announced a new expanded marketing service provided at no cost when combined with any of their services; including still photography, virtual tours and fully customized single property websites. VTM is a Los Angeles virtual tour provider and provides powerful real estate marketing tools and services to provide their real estate clients an upgraded online property flyer and classified ad solution which is syndicated to national real estate websites such as Oodle, Google Base, Vast, Local.com, Trulia, Zillow, Hotpads, and more.

VTM owner and principle photographer Lawrence McBride states, "We are very proud to offer this expanded marketing service to our clients at a time when maximum-reach internet marketing is crucial to the sale of listings. Today, higher inventories of unsold homes call for more aggressive marketing strategies. This service offering allows us to continually and consistently broadcast comprehensive property information, multiple still images, virtual tours and website links to many thousands of buyers across the web on the agent's or owner's behalf until the property sells."

VTM already offers agents and clients a vast array of unique and comprehensive marketing options through its partnership with RTV, including HitStats 2.0™, interactive 3D Floor Plans, 3D Walkthroughs, PanoRiders™, Video Tours, single property website services, Custom Voice-overs and more.

To learn more about VTM's comprehensive online marketing programs or their other complete marketing solutions for real estate and business, please call Lawrence at 310.908.1151 or visit their website.

#### About Real Tour Vision

Real Tour Vision is a recognized leader in interactive 360 panoramic virtual tours and virtual tour software. Since 2000, RTV has continually led the way in the virtual tour industry with marketing implementations such as their proprietary interactive software, RTV PanoRider(TM), single property websites, on-demand HitStats 2.0, 2D/3D interactive floor plans, 3D animated walk-throughs, custom websites, TourTrack(TM), tour audio solutions, TourDiscs(TM) and Sketch-and-Fax(TM) services. RTV virtual tours are chosen over other virtual tour software programs daily by intelligent business owners who demand the best virtual tour software to showcase and market their businesses online.

Real Tour Vision, TourTrack, Sketch-and-Fax, PanoRider, HitStats, TourDiscs and RTV are trademarks of Real Tour Vision.
