New Real Tour Vision Partnership Useful for Off-Line Distribution or Archiving of Virtual Tours

Traverse City, Michigan Mar 1, 2004 Real Tour Vision™ (RTV™), the world's fastest growing virtual tour business, has announced it has partnered with Realty-Disc™ to offer RTV Dealers discount pricing and full-color customized labels on the duplication of standard CD-ROMs or business card-size CD-ROM disks that RTV Dealers can use for distributing or archiving virtual tours. "Disk copies of virtual tours are often given away at Open Houses, mailed to select sales prospects or archived for emergency services reference," said Jason LaVanture, Vice President of Real Tour Vision. "Tours on disk can be viewed at any time wherever someone has access to a computer with a CD-ROM drive. No Internet connection is needed."

According to RTV, for a limited time, each Dealer will be able to order one low-cost introductory package of 10 standard CD duplicates with customized color labels and free shipping. Normal duplication packages will feature discounts when ordering 30, 60 or 100 disks. Larger quantities are also available. RTV dealers can simply visit: www.realty-disc.com and place orders online. Real Tour Vision, headquartered in Traverse City, Michigan, is still selling dealerships in selected areas of the United States to produce virtual tours for Real Estate firms, Resorts, College, Hospitals, and many other businesses or public places that benefit from providing an online, e-mail or disk/CD-ROM tour of properties or facilities.
